

CASA GROUNDS FOR SOLIDARITY **MISSION STATEMENT**

The mission of the Casa Grounds for Solidarity Ministry is to sell a minimum of 1,200 pounds of delicious fair-trade coffee, the equivalent of supporting one extended family in the Café Justo grower-owned coffee cooperative based in Chiapas, Mexico. The cooperative provides a sustainable living to its members and an alternative to migration, thus allowing farmers and their families to remain on their ancestral lands. The ministry is dedicated to educating the community on the benefits of fair trade and how it is a win/win for everyone. We support the cooperative in the spirit of justice, and we enjoy great coffee.
