

YOU'RE INVITED

What—*Just* Scripture

When—2nd Sunday

Time 9:00—10:45 a.m.

Join us each month for Scripture Sharing from a perspective of Franciscan values and issues that impact our world today.

One of the most valuable aspects of *Just* Scripture is how it provides an opportunity for each participant to discuss with others how they experience and are affected by the scripture readings.

No previous experience or studies in Scripture is necessary.

At the heart of this experience is the interactive process. Both the deeply personal and collectively experiences, it provides an opportunity for each participant to actively discuss scripture in a supportive environment with respect for each other's thoughts and feelings.
