### ***COVID-19 social distancing/health measures.***

Social distancing measures will be used. You will drive into the main entrance of the Casa/FRC, and proceed north up the lane to the lobby “Drop Off Area.” Drive to the first table, indicate how many bags of coffee you are purchasing so we can track the number of bags, and pay into a donation box. **We will not be able to make change, so please plan to pay with exact cash and/or personal check.** You will then drive to the coffee tables and indicate which coffees you want. You will not get out of your car. We will ask you to pop your trunk and we will place the coffee into your trunk, or into your back seat.

We will be wearing masks and gloves when needed. We will use hand sanitizer between each sale. Please be patient with us as we enact these measures.

The mission of the ***Casa Grounds for Solidarity Ministry*** is to sell a minimum of 1,200 pounds of delicious fair-trade coffee supporting one extended family in the Café Justo grower-owned coffee cooperative based in Chiapas, Mexico. The Cooperative provides a sustainable living to its members and an alternative to migration, thus allowing people to remain on their ancestral lands. The ministry is dedicated to educating the community on the benefits of fair trade and how it is a win/win for everyone. Our ministry supports the [Café Justo Cooperative](#) in the spirit of justice while we enjoy great coffee.
